

Notice of Public Hearing South Hutchinson Planning Commission

The South Hutchinson Planning Commission will hold a public hearing on Monday, October 6, 2025, at 6:00 P.M., at the South Hutchinson city building located at 2 S Main St., South Hutchinson, KS 67505, to consider a proposed text amendment to the South Hutchinson Land Development Code.

The proposed amendment would modify the permitted uses in the I-3 Heavy Industrial District to address facilities for the generation or storage of electrical energy by utilities regulated by the Kansas Corporation Commission. The amendment would not make commercial wind or solar energy conversion facilities a use by right.

Any person wishing to be heard on this matter will be given an opportunity at the time and place stated above.

Published on Monday, September 15, 2025, in the official city news outlet.
